Zoë Y. Valladares

Washington, DC • Newark, DE • zyv@udel.edu • 202-286-1276 • zoevalladares.com • GPA: 3.62

Education

University of Delaware — Newark, DE
Bachelor in Computer Science, Minor in Integrated Design, & Game Studies — *Fall 2020 - May 2024*

- **Dean's List** Fall 2020, Spring 2021, Spring 2022, Fall 2022, Spring 2023
- **Scholarships:** UD Provost Scholarship, Destination Delaware, Hispanic Scholarship Fund

  Relevant Coursework: Programming [Java], Systems Programming [C], Discrete Mathematics, Data Structures & Algorithms, Machine Organization & Assembly Language, Software Engineering, Game Development, 3D Modeling, Operating System, Cloud Cryptography, Web App Security, Calculus A, Analytical Geometry

Experience

Markham LLC — Washington, DC
API/Automation & AI Developer — *Fall 2024 - Present*

- Engineering solutions to increase efficiency through RPA workflows, API implementation, and AI integration.

Anne Arundel Community College — Arnold, MD
Maker Space Manager — *Fall 2023 - Present*

- Development and maintenance of a digital and machining maker space, providing students with an environment to explore and create.
- Designed and implemented components for organization and efficiency. Maintained and calibrated 3D printers, CNC routers, and plasma cutters. Wrote a maker space guidebook after extensive research and testing.
- Fostered continuous improvement and an innovation culture by staying current in making and machining.

M&T Bank — Newark, DE
Software Engineering Intern - Technology Internship Program — *Summer 2023*

- Spearheaded the implementation of Power BI to enhance data visualization for the Data Pirates development team following Agile and Scrum methodology.
- Developed and improved automated programs under the supervision of a qualified software engineering team using C#, .NET, and SQL.

Girls Who Code — Remote
Teaching Assistant/Instructor — *Summer 2022*

- Taught United Kingdom Girls Who Code students front-end website development centered on societal issues/topics.
- Morgan Stanley international group mentee.

University of Delaware — Newark, DE
Teaching Assistant — *Fall 2021 - Spring 2023*

- Courses CISC108, CISC275, CISC374
- Assisted instructors with in-class activities, course materials, grading assignments, hosting lab sections, tutoring, and proctoring examinations.
- Aided students with coursework during designated office hours ranging from software development, game development, and Python literacy.

Skills

Technical:

Python, JavaScript, HTML, CSS, Typescript, Java, C++, C#, C, Processing, SQL
React, Phaser, P5JS, Git, Bash, Power BI, Firebase, MongoDB, .NET
Fullstack Projects: DIY Twitter, CS Degree Scheduler, Theory of Green, Allergen-Ai, Letter-Boxed Solver, HenHacks '23 Winner, DCMetro Satire, WOMXN 51%
Game Development, Web VR, and Unity, 3D design/printing, Photography, Computational art

Language: Spanish (Fluent)

Affiliations and Other Accomplishments

University of Delaware CyberSec CTF — Member
Using computer science, mathematics, and cybersecurity principles to solve CTF questions and compete with international CTF teams

University of Delaware National Society of Black Engineers Member

Encouraging diversity, equity, and inclusion in engineering and collaborating with other University of Delaware Black engineers

University of Delaware MakerGym Participant

Trained on MakerGym equipment, created projects, and developed teamwork skills with other makers

American Poetry Museum Washington, DC

Exhibiting Artist *February 2021 - March 2021*

- Photographic and Computational Art Exhibit

ARTLAB Hirshhorn Smithsonian Washington, DC

Selected Scholar *January 2019 - March 2019*

- Created and developed artwork "women".
- Hirshhorn ARTLAB Emerging Artists Showcase 51, WOMXN 51%
